Adoption Application Agreement

I, _____, understand that this is a basic application for adoption of a dog under the care of Patra's Pitty Project. I understand that an application must be processed, which includes but is not limited to, a reference and vet check, and a home visit. I understand that an adoption of a dog requires full completion of the process and that filling an application out does not guarantee me the dog that I am interested in. Likewise, filling out an application does not mean that I have to adopt the dog that I am interested in.
